

The background image is a large crowd of people at an outdoor event, likely a music festival or concert. In the background, there are several tall, modern buildings. A banner for "ULTRA20" is visible, along with palm trees. The entire image has a blue tint, and a solid yellow rectangle is positioned in the top right corner.

Ultra 2026

Event Time

Friday, March 27

- 4:00 PM – 12:00 AM

Saturday, March 28

- 12:00 PM – 12:00 AM

Sunday, March 29

- 12:00 PM – 10:00 PM

City of Miami Police event personnel will be on site two hours prior to the scheduled event start time to ensure proper preparation, safety measures, and operational readiness.

Traffic Diversion Plan

Traffic operations will begin on Thursday, March 26, 2026, at approximately 9:00 PM and will continue through Monday, March 30, 2026, until approximately 7:00 AM. These traffic measures will remain in place throughout the event and will be supported and monitored by police personnel.

Southbound Traffic

All southbound traffic will be diverted west at Biscayne Blvd and NE 6 Street.

- Alternate South Routes: NE 2 Avenue and Miami Avenue.

Northbound Traffic

All northbound traffic will be diverted into the southbound lanes at SE 1 Street and returned to normal flow at NE 4 Street.

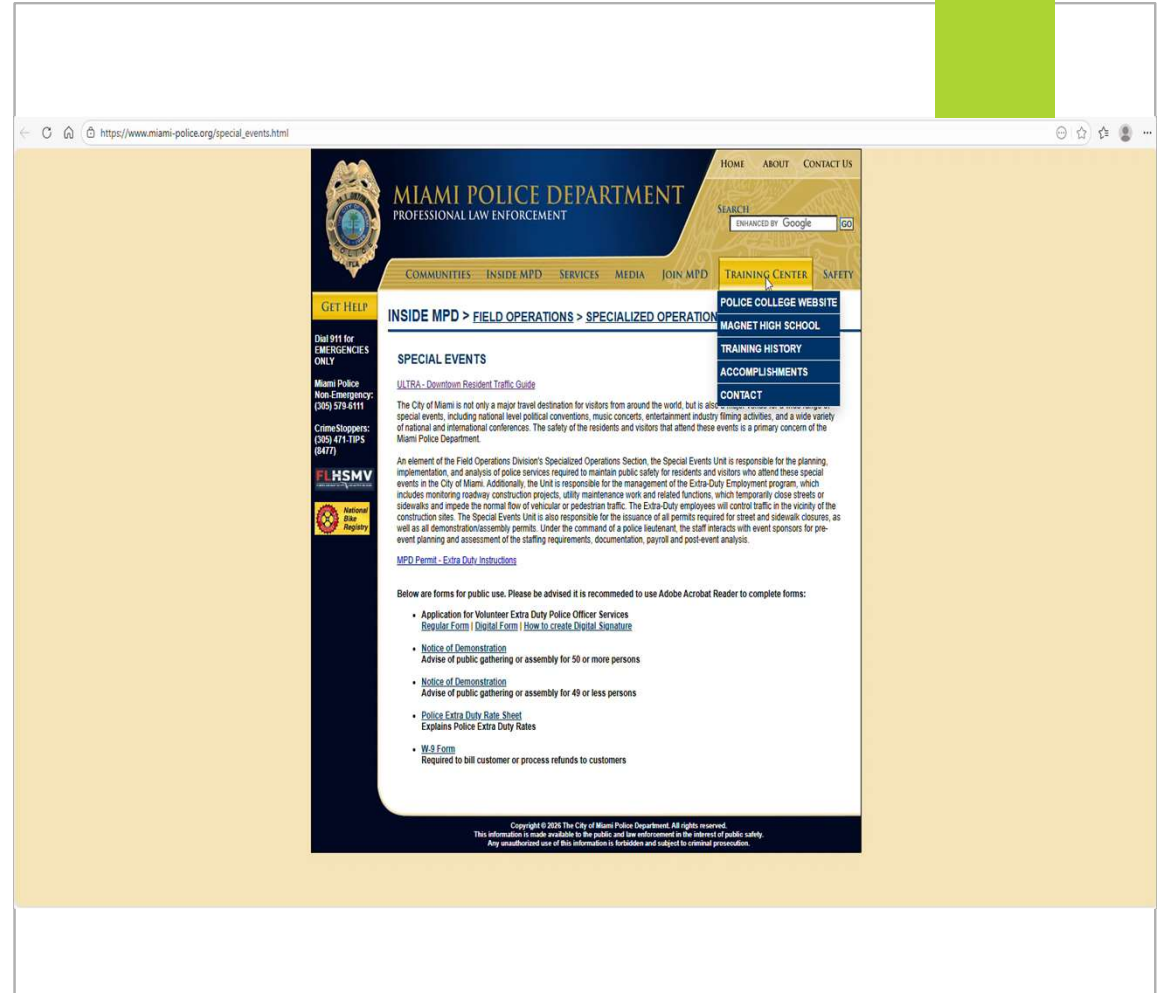

Resident Traffic Guide

To provide added clarity for residents during the Traffic Diversion Plan, a Downtown Resident Traffic Guide has been created. This guide can be accessed through the Miami Police Department webpage using the link provided below.

The guide offers a step-by-step “How To” for residents, outlining the best routes to navigate detours and reach their home locations efficiently during the festival period.

https://www.miami-police.org/special_events.html

Keeping You Safe

During the three days of the festival, there will be a significant presence of police personnel dedicated not only to the safety of event patrons but also to supporting our residents as they move throughout the area. Safety for everyone remains our top priority. Although detours will be in place, officers directing traffic will not impede or delay any emergency response.

To ensure consistent communication with affected residents, downtown neighborhood officers will be actively monitoring the area, with special attention to locations impacted by detours. They will be available to receive real-time concerns from residents and help provide timely responses and adjustments whenever feasible.

Rideshare Geo-Fence Operations

A Rideshare Geo-Fence will be in place, restricting rideshare drop-offs and pick-ups within the designated red-boxed area surrounding the event site.

Drop-Off Rules

Requests made to any location inside the Geo-Fenced Area during drop-off hours will be redirected outside the restricted zone. However, pick-up requests will not be affected during these hours.

Drop-Off Hours

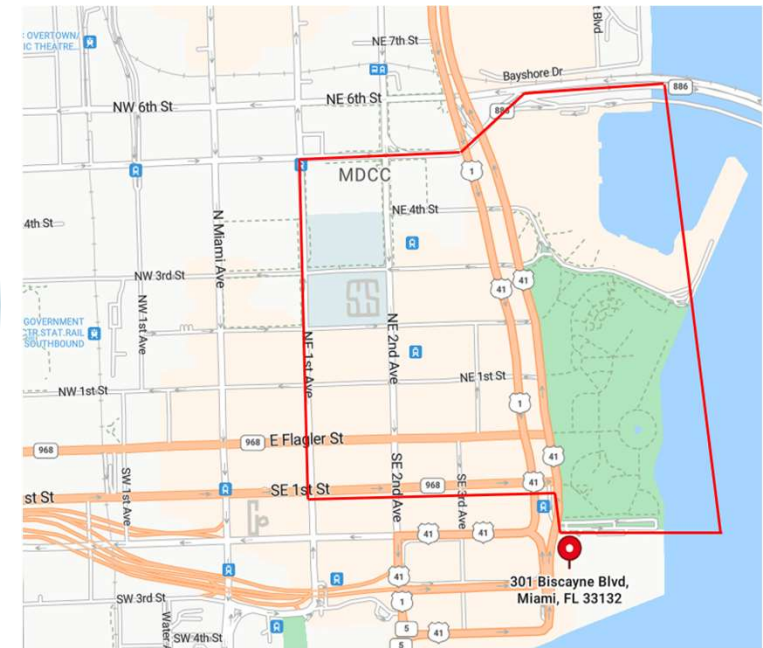

- March 27: 4:00 PM – 9:00 PM
- March 28: 12:00 PM – 9:00 PM
- March 29: 12:00 PM – 7:00 PM

Pick-Up Rules

Requests made for pick-up inside the Geo-Fenced Area during the designated pick-up schedule will be redirected outside the restricted zone. However, drop-off requests will not be affected during these hours.

Pick-Up Hours

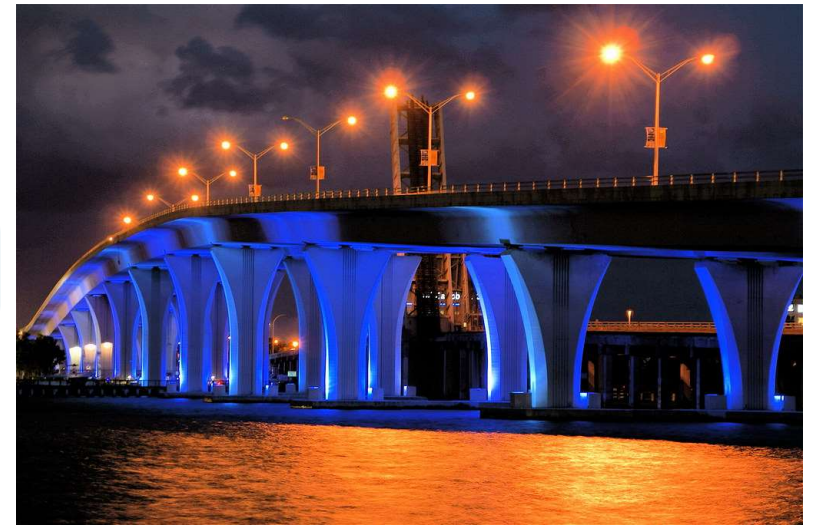

- March 27: 9:00 PM – 1:00 AM
- March 28: 9:00 PM – 1:00 AM
- March 29: 7:00 PM – 12:00 AM

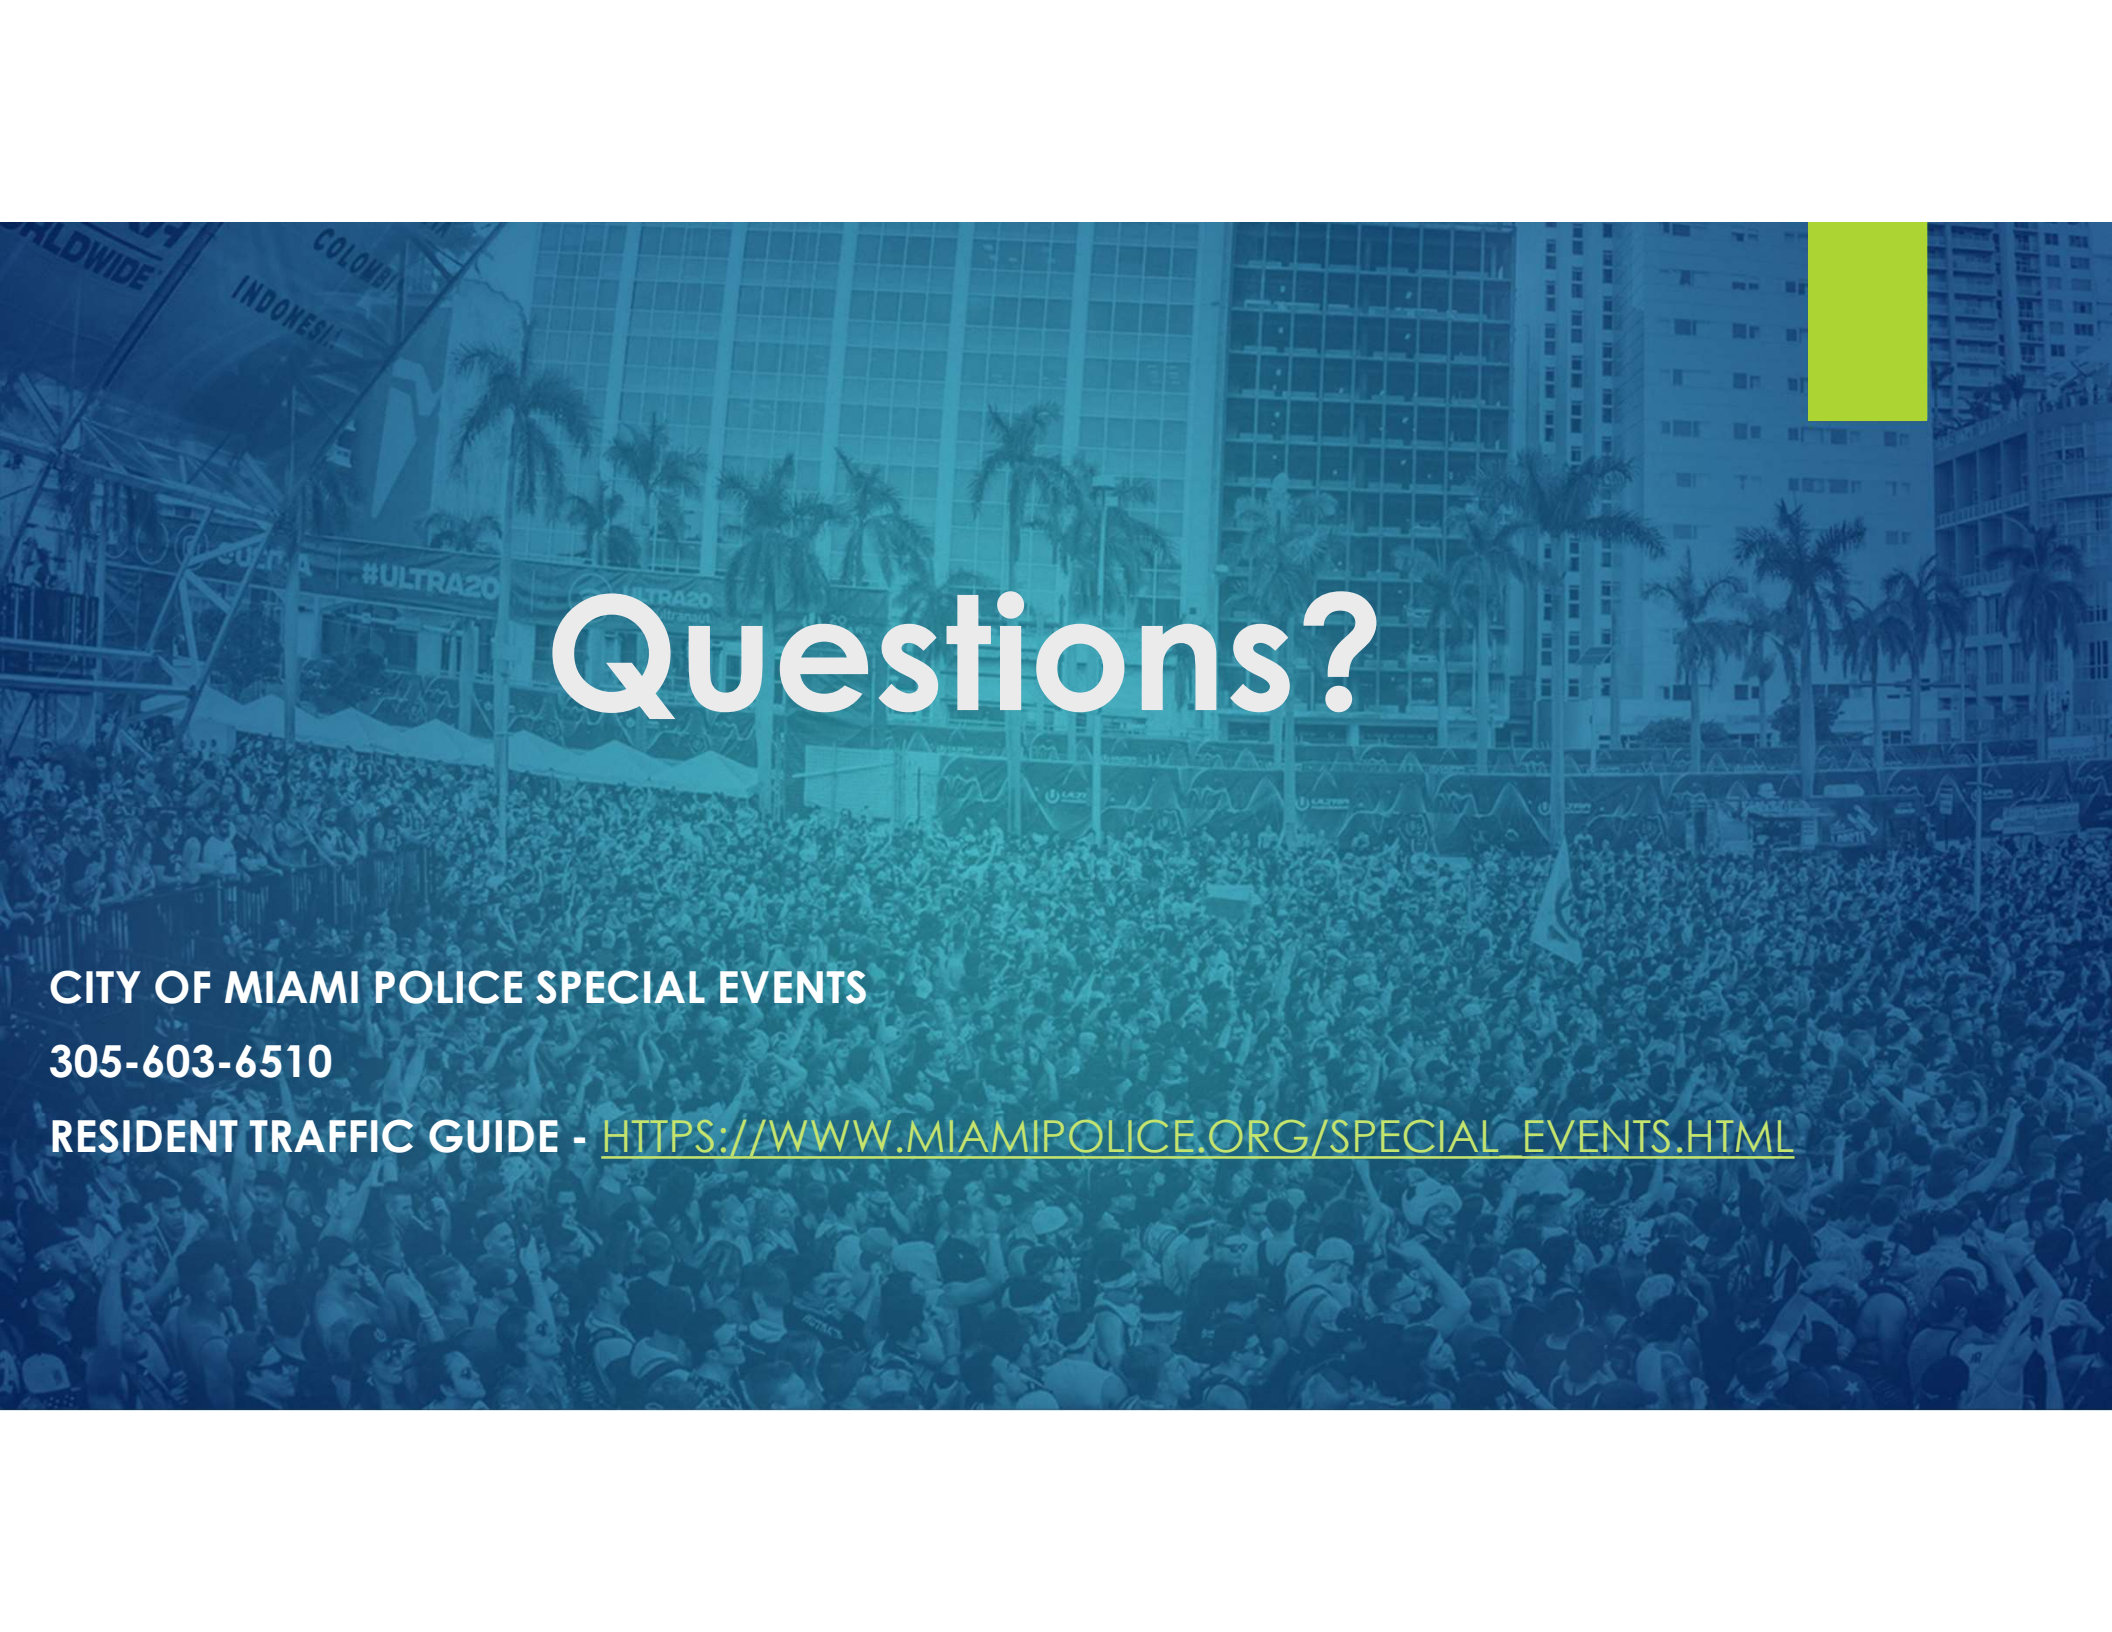

Port of Miami Access

Access to the Port of Miami will always remain open via NE 5 Street. A dedicated contingency of Police Personnel within the event staffing plan will assist with the arrival and departure of vehicular traffic throughout the festival period. As always, pivoting traffic patterns may occur when necessary to help relieve congestion and maintain safe traffic flow.

We continue to encourage motorists who can access the Port of Miami via the Port Tunnel to utilize that route whenever possible, as it significantly reduces congestion and improves overall traffic movement.
